Our Client: Donald E. McCoy  
Our File No. 25040001M

Dear Sir or Madam:

On or around September 17, 2010, the defendants in the above referenced case removed the above referenced action from Jackson County Circuit Court to this court. I am writing to advise the Court that this matter is subject to the referral order referenced in LR 2100-1(a) based on the plaintiff's pending Chapter 13 case. Therefore, this case should be referred to the US Bankruptcy Court in Eugene to be processed as an adversary proceeding related to Mr. McCoy's pending Chapter 13 case. Please don't hesitate to contact me if you have any questions.

Sincerely,

Keith Y. Boyd
